

CANADIAN FOURSOMES (aka Greensomes)

A stroke or stableford event played as a team of two – Handicap allowance – $\frac{1}{2}$ combined handicaps.

- Both players tee off on every hole.
- The team chooses which ball they will use for the second shot and the other is picked up.
- The player whose ball is not chosen plays the second shot with subsequent shots being played alternately until completion of the hole.
- If a penalty stroke has to be taken it does not affect the order of play.
- Cards should be marked as for any stableford or stroke event i.e Strokes & Points or Strokes & Putts for team score.
