

PAIRS AMBROSE

A stroke event played as a team of two – Handicap allowance –
¼ combined handicaps

- Both players tee off on every hole
- The team chooses which ball they will use for the second shot and the other is picked up. **The team must choose each player's tee shot (on a par 4 or par 5) at least 6 times during the round.**
- The player whose ball is chosen, plays his second shot followed by his/her partner who places their ball within a club's length of the chosen ball but not nearer the hole (in the rough the ball is dropped rather than placed).
- Again, the team chooses a ball for their third shot and play their third shots from the position of the chosen ball as before.
- Play continues in this manner until the ball chosen is on the putting green then each player has the opportunity to sink the putt from within 15 cms of the position (not nearer the hole) of the chosen ball.

Note

The hole is over once a team ball is in the hole so a ball should not be holed out until both players have attempted their putt.
